# Who is Green School NZ?

Green School New Zealand is a place where learning comes alive an innovative, nature-based school in Taranaki, New Zealand that empowers young people to thrive as curious, compassionate, and future-focused global citizens. Rooted in regenerative initiatives and inspired by Te Ao Māori, our holistic well-being curriculum blends academic learning with wellbeing, environmental stewardship, creative expression, and real-world projects that make a genuine impact.

With strong community connections, immersive outdoor experiences, and a campus designed to inspire, Green School NZ nurtures confident, resilient learners who understand their place in the world and their responsibility to it.

# Green Educators

**Participate in Professional Development:** Engage in collaborative planning and shared learning experiences tailored to global educational trends.

**Experience Our Environment:** Spend time exploring our campus nestled in a natural setting, inspiring new ideas for outdoor, experiential, and sustainable learning.

**Connect with Our Community:** Interact with students, staff, and local entrepreneurs to understand our approach to impact-based, community-centric education.

**Lead or Observe Lessons:** Contribute your expertise by leading workshops or observe classes focusing on sustainability, entrepreneurship, or community-connections.

Welcome to Green Camp!

# Green Camp NZ Vision & Opportunities. Why

Join us for transformative, adventure, cultural and nature-based experiences that foster ecological consciousness, personal growth in wellbeing and systems thinking.

## About Green Camp NZ

Our programmes combine:

- immersive experiences on the Green School NZ campus (including tours of our award-winning learning spaces),
- connection to local culture and environment,
- hands-on workshops and team building,
- and customised camp itineraries for visiting schools or international groups.
- Co-designed camps, workshops, or retreats bringing expertise in wellbeing, experiential education and environmental leadership.

# School Groups and English Immersion

**School Camps for Every Age Group**

✓ **Primary & Intermediate Schools (Ages 7-13)**

Tailored for younger learners, these camps focus on play-based discovery, teamwork, and environmental awareness.

✓ **High Schools & Leadership Camps (Ages 14-18)**

Designed for deeper learning, these programs challenge students to develop leadership, resilience, and sustainability skills that extend beyond the classroom.

✓ **International School Programs**

For students visiting from overseas, our camps provide a unique opportunity to experience New Zealand's rich biodiversity, indigenous traditions, and innovative sustainability practices.

*Each camp is tailored to meet your school's goals and intentions.  
Camping or homestay options available*

# Family camps

Your family's turning point.

Step into a world where true learning thrives and lifelong connections are made.

Our Family Camps offer more than camping they are a gift that keeps on giving. Nestled in the breathtaking landscapes of Taranaki, Green Camp NZ creates a space for growing learners in nature, building confidence and heart through outdoor adventures, cultural experiences, and moments full of surprises. Immerse your family in an environment where confidence grows, family bonds deepen, and the outdoors becomes so much more.

Book your inquiry through our [website](#).  
Jan - April fully booked for 2026.

## Key Highlights

### Outdoor Adventures

Surfing lessons on Fitzroy Beach, jet boating to Huka Falls, nature hikes, and orienteering challenges offer exciting, hands-on exploration in diverse environments.

### Cultural Immersion

Includes a visit to Hobbiton, a traditional Māori welcome ceremony (Mihi whakatau), Hāngī preparation, bone carving workshops, and exploration of Māori rock carvings on Lake Taupo.

### Community Engagement

Tree planting and regenerative projects on the Green School campus provide students with meaningful opportunities to give back to the land and community.

### Personal Growth

Fire circles, mindfulness activities, river swims, and daily reflection moments encourage emotional intelligence, resilience, and deeper self-awareness.
